Punjab vide his letter No. 2123-24 dated 19.1.2021.

#### 18. Bid Capacity:

The bid capacity of the prospective bidders will be calculated as under:

Assessed Available Bid Capacity = (A\* N\* 2 - B)

Were

A = Maximum value of Civil Engineering works executed in any one year (year means financial year) during the last five years (updated to the price level of the financial year in which bids are received at a rate per year as indicated in the BDS) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the Project/Works for which these bids are being invited. (e.g. 7 months = 7/12 year)

B = Value (updated to the price level of the year indicated in B D S) of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited.

Note: The statement showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be attached along with certificates duly signed by the Engineer-in Charge, not below the rank of an Executive Engineer or equivalent. The contractor/Society also have to submit self-attested undertaking that the Society/Contractor is eligible to take part in the tender and has available bid capacity on the basis of above formula.

19. If the Financial bid quotes more than 25% saving from the estimated cost, the Engineer may ask the bidder to produce detailed analysis for any or all the items to check the viability of rates w.r.t to Construction methodology & workability. After evaluation of price analysis, the ULB may ask the Bidder to give an additional Bank Guarantee of nationalized bank @ 5% of the estimated amount (to remain valid till the time period of the refund of security) so as to protect against financial loss in event of subsequent default by the Bidder for not completing the work etc.

Corporation Engineer Municipal Corporation, Bathinda

### GENERAL TERMS & CONDITIONS FOR DNIT (Not for Press)

1	Electronic tenders shall be opened in the office of the Corporation Engineer in the presence of
	Contractors or their authorized representatives (if they wish) on the date and time prescribed
	in the tender notice.
2	If tender date happens to be a holiday, the technical and financial bid will be opened on the
	next working day. Regarding this, no separate publication in Newspaper/website will be given.
3	Free of Cost items, if quoted, shall be adjusted first or proportionally in payments as desired by
	the Engineer in charge.
4	Tax and other levies will be deducted from the contractor's bill as per rules.
5	DNIT and MW-4 shall be the part of the agreement.
6	Any or all tenders can be rejected by the competent Authority without assigning any reason.
7	Substandard materials will be rejected and shall not be payable.
8	For the supply items the goods bearing the ISI mark or the approved make or specified by M.C.
	will be the min. standard and F.O.R. at Municipal Corporation, Bathinda. Only BIS approved ISI
	marked paver blocks / interlocking tiles shall be used.
9	Conditional tenders shall not be accepted.
10	In case, department intends to get sample of works/materials tested from any laboratory, the
	cost will be borne by the contractor.
11	All running payments shall be considered as advance payments to the contractors and any
	excess payment in running bills shall be recovered from the contractor's next or final
	bill/security/EMD.
12	If any other type of tax (existing, new imposed by the Govt. and revised tax) during the
	execution of work, the same will be borne by the agency.
13	The unbalanced tenders shall be rejected.
14	Road Materials shall be stacked and measured at different areas, as per requirement and at
	different works.
15	(i) In case of any dispute or disagreement arising out of contract agreement Commissioner,
	Municipal Corporation, Bathinda shall be the Sole Arbitrator, whose decision shall be final
	and binding upon both the parties.
	(ii) It shall be an essential term of this contract that in order to avoid frivolous claims, the party
	invoking arbitration shall specify the disputes based on facts and calculation stating the
	amount claimed under each claim and shall furnish a "deposit-at-call" for ten percent of
	the amount claimed, on a scheduled bank in the name of the arbitrator by his official
	designation who shall keep the amount in deposit till the announcement of the award. In
	the event of an award in favour of the claimant, the deposit shall be refunded to him in
	proportion to the amount awarded with respect to the amount claimed and the balance, if
	any, shall be forfeited and paid to the other party.
16	Rates quoted by the contractor inclusive all types of taxes, octroi, royalty and levies etc.
17	The work will be executed in accordance with the Punjab PWD/MoRTH specifications/
	agreement and the final payment will be made to the contractor on the basis of the overall
	lowest statement as worked out in the final stage, considering all the tenders received against
	the individual work/item.
18	Bitumen will be arranged by the executing agency against payment (from the oil refineries)

(i) At its own cost and difference in its cost over basic rates will be paid/deducted on the production of original bitumen bills from IOC/HPC/BPC during the allotted time of execution.  (ii) The price adjustment shall apply for the work done from the start date given in the Contract Data upto end of the initial intended completion date or extensions granted by the Engineer, (However, for the work done during the period for which extension has been granted by the Engineer, the price adjustment shall be made using either the rates/prices prevailing at the time of intended date of completion, or the rates/prices as prevailing for the period under consideration, whichever is less.)  19 Quoted tender should be as per enlisted class by the individual contractor otherwise it shall be invalid.  20 Security deducted will be refunded after 1 year from the date of completion.  21 In case of supply material, 5% security will deducted and the same will be refunded after 1 month from the date of completion of supply order.  22 All the traffic arrangements including diversion, barricading shall be provided by the agency at its own cost along with the required security persons.
